

Erratum

Correction to: Kobas M, et al. Clinical characteristics, audiological and neurodevelopmental outcomes of newborns with congenital cytomegalovirus infection. Swiss Med Wkly. 2018;148:w14627.

In the methods section, there was an error in the following sentence: “Screening of pregnant woman and newborns relied on physician-based practice and on predefined screening policies.”

The correct text should be: “Screening of pregnant woman and newborns relied on physician-based practice and **not** on predefined screening policies.”

The online version of the article has been corrected accordingly.
