Immunisation scores in children and their fathers

Children:

**Group 1: age 6 - <12 months** (maximum of 3 points)
- 3 points for completed diphtheria-tetanus-pertussis (DTP) - IPV- haemophilus influenzae type B (Hib) (+/-HBV) basic immunizations (2 respectively 3 doses according to intervals and age of first immunization, refer to swiss immunization schedule)
- 2 points if 1 dose is missing
- 0 points if not immunized
- No (!) points for early MMR immunization

**Group 2: age ≥12 - <24 months** (maximum of 6 points)
- 3 points for completed DTP-IPV-Hib (+/-HBV) basic immunizations (2 respectively 3 doses according to intervals and age of first immunization, refer to swiss immunization schedule)
- 2 points if 1 dose is missing
- 0 points if not immunized
- No (!) points for already administered booster immunizations (doses 3 or 4)
- 1 point each for measles, mumps, rubella single immunizations (1st dose) or 3 points for 1st dose of MMR – no (!) additional points for 2nd dose

**Group 3: age ≥24 months** (maximum of 10 points)
- Up to 3 points for completed DTP-IPV-Hib (+/-HBV) basic immunization (see above), 2 more points for booster immunizations (doses 3 or 4)
- 1 point each for measles, mumps, rubella single immunization (1st dose) or 3 points for 1st dose of MMR; 2 more points for 2nd dose of MMR or measles mumps rubella single immunizations as 2nd doses completed; 1 point for 1 or 2 of measles mumps rubella single immunizations as 2nd doses (maximum of 5 points in total)

**Fathers (maximum of 11 points)**

- 1 point each for up to date immunization against diphtheria, tetanus, inactivated poliomyelitis (IPV) and pertussis BEFORE OR AFTER birth of child (= maximum of 4 points)
- 1 point each for measles, mumps, rubella single immunizations (1st dose) or 3 points for measles-mumps-rubella triple-immunization (MMR); 2 more points for 2nd dose MMR or 2 more points for
• measles, mumps, rubella 2nd doses as single immunizations and completed; 1 more point for 1 or 2 of measles, mumps, rubella single immunizations as 2nd dose (max. of 5 points in total)
• 2 points for completed hepatitis B (HBV) immunization (2 doses of HBV with full antigen content, formulation for adults, at 11-15 years of age, otherwise 3 doses)
